The EMS Coordinator will prepare an annual program performance report. The report will be approved by management and made available to interested parties through the EWA's web site. Comments and feedback will be encouraged when the report is released.

The annual report will include:

- Monitoring and measurement results
- Performance of the program based on biosolids goals and objectives
- Compliance/noncompliance with legal and other requirements
- Contractor performance
- Internal EMS audit results
- EMS Management review report
- Third-party verification results
