1. The EMS Committee is to review and revise the critical control points per the six-step process defined in this Element that influence the management of the biosolids program when there is a change in:
  - a) The Biosolids Management Policy Statement
  - b) The Biosolids Strategic Plan
  - c) Operational Controls
  - d) The EWA's Goals and Objectives (see [Element 5](#))
  - e) Legal and Other Requirements
  
2. Update BETS as needed.
