EMS_04_Objective.doc	01		12/13/02	

To establish a procedure for identifying and tracking legal (federal, state, and local) and other requirements applicable to the Encina Wastewater Authority's (EWA) biosolids management activities. The procedure shall include a management process for incorporating changes and new requirements into the Elements of the EWA's EMS. The EWA shall establish and maintain records of applicable legal and other requirements.
