Encina Wastewater Authority Receives *Peak Performance Award*

Carlsbad, California - The Encina Wastewater Authority (EWA) has been selected to receive a Gold *Peak Performance Award*. The *Peak Performance Awards* program presented by the National Association of Clean Water Agencies (NACWA) recognizes public wastewater treatment facilities for their outstanding compliance records in the 2004 calendar year. NACWA was proud to recognize over 300 *Peak Performance Award* facilities during the Association's 35th Anniversary Annual Meeting held May 1-2, 2005 in Washington, D.C.

EWA received the *Gold Award* for achieving 100 percent compliance with their NPDES permit for the entire 2005 calendar year.

"The Encina Wastewater Authority is an outstanding example of environmental efforts. NACWA is honored to showcase the achievements of the Encina Wastewater Authority and our nation's public wastewater utilities through the *Peak Performance Awards Program*." Ken Kirk, NACWA's Executive Director.

The EWA is a partnership of the City of Carlsbad, City of Vista, City of Encinitas the Buena Sanitation District, Leucadia Wastewater District and Vallecitos Water District. EWA provides wastewater treatment and disposal services to over 300,000 people in its 123 square mile serve area in north San Diego county.
